represented by Areas A-E, please go to:

All GE requirements remain exactly the same and no classes
have been removed.

This TITAN Degree Audit (TDA) is provided to help you keep track
of your progress toward a degree. Although efforts have been made
to ensure its accuracy, you must carefully review it and report
any errors to the Evaluations Unit (657-278-2396) or TDA Staff
(tda@fullerton.edu). You are responsible for consulting a major
adviser to verify the status of major requirements. If you have
a Final Evaluation & Summary of Units, please use it together
with this TDA. Final verification for graduation is based on your
Graduation Check.

>>COMMENCEMENT INFORMATION:
If you are a graduation candidate, please access the commencement
website at www.fullerton.edu/commencement for the specific dates
of your graduation ceremony.

UNIT REQUIREMENTS: Limited to either 9 units or 3 courses from
a single department, excluding courses in G.E. Category A, Core
Competencies.

COURSES IN YOUR MAJOR:
Courses offered by the department of the student's major may not
be used to fulfill the unit requirements of Area B, C, D, E or Z,
with the exception of areas offering choices from only one
department. For more information visit the Academic Advisement
Center (UH-123B).

>>TRANSFER STUDENTS: Transfer coursework is not held to the "9-
unit/3-course limit from a single department" but no additional
CSUF coursework from that department can be applied to G.E. The
TDA system has a limitation in that it may incorrectly continue
to apply courses exceeding the 9-unit/3-course limit from a
single department. Please be sure to check with your evaluator
for any additional CSUF courses that may have exceeded the limit.
